

CRITTER CORNER

Why not start your pet search at your local county animal shelter? For more information about our featured pets, or about any of the wonderful pets at the shelter, call 732-657-8086. You can also see some of the great pets that are available on the web at www.petfinder.com/shelters/NJ62. We also need Foster Homes. If you are interested in Fostering, please ask for Sue who heads the volunteer group if you would like to contribute by being a Foster Home.

Sweetie—American Staffordshire Terrier

Sweetie lives up to her name. She is a sweet, friendly, high-energy girl who is approximately 2 years old and weighs 52 pounds. Sweetie knows some commands (she is a good “sitter”) and really wants to please, but she does need some training to round her out. Sweetie will make a wonderful pet, however, we are recommending that she not go to a home with small children because of her high energy level.

Patty—Tabby Domestic Short Hair

Patty is a very sweet young adult female that weights about 7-8 pounds. Patty is quite the charmer. She loves being petted, cuddling up next to her human, and is a bit of a “talker.” Patty has a beautiful soft coat and will make someone a wonderful pet. Call 732-657-8086 to find out more about Patty.
