Thor is an urgent, ~9 year old, special needs, Rotty mix. Thor has a number of tumors and aggressive treatment is not being recommended at his age. He is on some routine palliative oral medications. In spite of his medical issues, Thor is a wonderful, loving dog. He is housetrained, neutered, calm, extremely well behaved, and responds to a number of commands. Thor's medical condition requires a special family, but he will give back so much more in love and appreciation. Call 732-657-8086 to find out more about Thor.

Peaches is an 8 year old, DSH, declawed, little girl with huge, beautiful eyes. She is friendly and curious. It takes her a little while to settle down—she is still adjusting to her new surroundings at the shelter—but when she does, she's a real love. Peaches has a lovely tiger/tortie coat and will make someone a wonderful house cat. Call 732-657-8086 to find out more about Peaches
