

# CRITTER CORNER

Why not start your pet search at your local county animal shelter? The featured pets are from the Ocean County Animal Facility-North. For more information about our featured cat and dog, or about any of the wonderful pets at the shelter, call the shelter at 732-657-8086. You can also see some of the great cats and dogs that are available on their website at <http://www.petfinder.com/shelters/NJ62.html>.

**Raisin—Lab, Amer Staffordshire Terrier Mix**  
Raisin is a 1 year old young lady looking for a loving home. Raisin is very high energy and playful. She would do best with a family that can spend time training her. Raisin would probably be a wonderful candidate for agility training. Raisin is house trained and used to being crated.

**King III—Black Domestic Short Hair**  
King III is a beautiful, young, male, all black DSH. He is a staff favorite who is known at the shelter as the “awesome cat.” King III is about 1 to 2 years old and very affectionate. King, however, lives up to his name—he is not fond of other cats and would probably be best as an “only cat.”
