**This is “kitten season.” We also have lots of adorable kittens ready for adoption. We also have a number of smaller dogs and declaw cats looking for homes.**

**Trixie—Pointer Mix—“*Very Special Girl*”**

Trixie is a precious, white and black, adult, female Pointer Mix who came to us in very bad shape—she has had a hard life thus far—but she is gaining weight and healing nicely. While Trixie is shy initially, she warms up quickly and is an affectionate, loving, and devoted dog who gives great kisses. Trixie is house trained, knows some commands, and gets along well with everyone including other dogs. Trixie is a very special girl who deserves her loving forever home.

**Seal— Himalayan—“*Tiny Little Thing*”**

Seal is an adult, female, seal point Himalayan. Seal is a tiny little girl—small and thin—but she’s gaining some weight with us. Seal is a sweet girl with a true Himmy personality. She came to us quite matted, so has a lion cut right now, but her coat will soon grow out to its former beauty. Call 732-657-8086 to find out more about Seal and/or our other wonderful cats and kittens.
