**Adopt a Pet, Safe a Life!** Did you know that all of our pets are vaccinated, neutered, and chipped before being adopted to their forever homes? Adopting a pet from the Ocean County Animal Facilities is not only a great way to find your new best friend; it's also a great value!

**Baby—Pomeranian**  
*Baby Needs a Home!*

Baby is an active 13 year old, female Pomeranian. Baby came to us when her owner passed away. She came in with another dog (her best friend), who was recently adopted, so Baby is lonely and very ready to find her new home. Baby is just a great dog—she is calm, loving, bright, house trained, and very well behaved. Call 732-657-8086 to find out more.

**Jack—Grey Tiger DSH**  
*Big Boy!*

Jack is a very handsome, large, 4 year old, male, domestic short hair (DSH). Jack is a very friendly, calm, laid back cat that gets along great with people. He's not, however, a great fan of other cats, so he'd prefer to be an only cat in his new home. Call 732-657-8086 to find out more about Jack.
