

# CRITTER CORNER

[www.CritterCorner.org](http://www.CritterCorner.org) - **Last Release!**

It is with great sadness that we announce that after 7 years this is the last release for *Critter Corner*. The local papers (i.e., Tri-Town News, Jackson/Manchester/etc Times) have lost interest in providing *Critter Corner* as a regular column. Due to the lack of coverage, we find that *Critter Corner* is not being seen by the public. Our objective in publishing *Critter Corner* has always been to find great homes for local surrendered and stray pets and to significantly reduce the incidence of euthanasia. We hope to find other ways to contribute to this goal. We encourage you to continue to support our local animal shelters. You can do that by adopting from the shelters when you are searching for a new furry family member. Both shelters can always use donations of pet food and supplies. And you can support the wonderful volunteers who work tirelessly to find great homes for the shelters pets -- <http://www.petfinder.com/shelters/NJ62.html> and [www.facebook.com/VolunteerAuxiliary](http://www.facebook.com/VolunteerAuxiliary).
